

SSPC – Southern California Chapter

Minutes of Steering Committee Meeting held: **Tuesday, March 22, 2005**
Elephant Bar, La Mirada, CA

In Attendance:

Jim Graham (Chair)	Corrosion Control Products
Jim Bossardt (Vice-Chair)	Blast/Coat Systems
Pat Sweeney (Secretary)	CSI Services, Inc.
Jim Spaulding	E.A. Wilcox
Dick Drisko	SSPC

Next Meeting: May - date and time to be announced

Jim Graham, Chairman, called the meeting to order at 11:48am. The February meeting minutes were accepted. Two main topics were on the Agenda and each item was recorded as follows:

Item 1 – C1/C2 Classes

There are 10 students registered for C1 and 5 students for C2. This a good number for this date in time. There are still a few days open for the day sponsorships from vendors. Jim B will be bringing in his refrigerator for refreshments. Jim G will coordinate the purchasing of refreshments from Costco. Jim G also has the appliances that the chapter owns (i.e. coffee maker). The C2 class will once again be held in the warehouse, with rental supplies for the classroom. Sweeney, Zarate, and Drisko will be the instructors. We have 3 projectors to use (Techno's as a back-up). Sweeney will contact SSPC about another e-mail and blast fax advertisement.

Item 2 – Future meetings

We need a meeting topic for May. We would like to pursue some field trip, and the committee will brainstorm this possibility. The tentative schedule is as follows for the year:

May – to be determined.

September – Pat will pursue SCAQMD's for a speaker discussing VOC's Regs

October (end of month) – Annual Barbeque

Other possible meeting topics include talks from Barry Barman, ACI, Wis-Jenny, "ban on silica sand", and "how to do business with the government."

Meeting was adjourned at 1:00pm
